Rick Goin, Superintendent Derek Brady, K-12 Principal

November 11, 2020

Wildcat Families,

The Osborn R-0 School District along with the local Health Departments have identified students and family members within the district that have tested positive or are presumed positive for the Coronavirus (COVID-19). The individuals are isolated but we have been asked to contact trace close contacts of the individuals affected. It is very important that anyone identified as a close contact of the individual(s) follow necessary precautions to limit the potential spread.

As a school district we are taking precautionary measures, and will begin VIRTUAL instruction for all students K-12 beginning Friday, November 13th. We will return to in-person learning on Tuesday, December 1st. Students were sent home with a majority of their materials today. Due to the time frame some materials may need to be picked up at the school. School materials can be picked up tomorrow, November 12th from 2:00PM-5:00PM.

Students will receive Alternative Methods of Instruction (AMI) during the school day, and should be ready to complete their assignments based on the AMI-X plan and schedule attached. Teachers will make contact during their scheduled times and give information and instruction for lessons. Our teachers have prepped for this possibility and we have a plan in place that is different from the spring of 2020. If anyone has questions, please feel free to contact the school.

The school district is able to continue to provide two meals a day free of charge to our students. A survey will be sent out to parents to sign up for this meal service. Meals will begin on Friday, November 13th. After that daily meals can be picked up on Tuesdays and Thursdays. Meal pick-up dates will be listed separately below. Meals for Wednesday will be prepared and sent with you on Tuesday. Meals for Friday will be prepared and sent with you on Thursday. Meals can be picked up between 7:00AM-8:00AM on scheduled days. Please reply to the survey to take part in this meal service.

Friday, November 13 – Tuesday, November 17 – Thursday, November 19 – Monday, November 23

Thank you for helping us to make a safe environment for learning for our students. The district will continue to communicate with you throughout Virtual Instruction. Please do not hesitate to contact the school or reach out to the teachers with questions.

Thank You,

A handwritten signature in black ink, appearing to read "Rick Goin".
